Somerset County 4-H Fair Awards

1. The Fair is open to all registered 4-H members in Somerset County. All projects/divisions are valued equally.
2. In support of the "free family fun" philosophy of our Fair, entry fees are discouraged. However, if needed, they should only be used for judges' fees, equipment rental, etc., not for the purchase of awards. All entry fees must be approved by the 4-H Agents, in advance.
3. The 4-H Association awards listed are intended for 4-H members, grades 4-13, not adults.
4. Any division choosing NOT to use the standard sponsored awards, must pay for any other awards and must have permission from the 4-H office prior to the Fair.
5. The 4-H Fair Exhibitor Guide is the only official list of classes, rules, and awards. Any changes or additions being considered for the future must be submitted in writing in advance to the 4-H Agents, regardless of sponsorship.

Rosette Awards

Rosettes represent a level of recognition involving peer competition. To be considered for a rosette, a project must have received an excellent rating (blue ribbon).

Members compete against each other for awards, such as "Best in Class" or "Grand Champion" which will be awarded based on the score they received.

As a general guide, 4-H Association sponsored rosettes are available for up to the top 30% of each class/unit. For example, if there are 10 entries in a class, up to three (3) rosettes would be awarded, based on the judge's discretion. If there are fewer than three entries in a category, one rosette can still be awarded if the judge feels a project is truly outstanding.

4-H Association Sponsored Rosettes are as Follows

- Purple or Blue three-streamer rosettes, are to be used for the highest award in a class, for example: Grand Champion, First Place, Best in Show, etc.
- Red, are to be used for Second Place, Reserve Champion, Second Best in Show, etc.
- Yellow, are to be used for Third Place, etc.

Division chairs are asked to order custom division rosettes based on the number of members expected to participate in each class. Generic rosettes are also available.

Medallions

The medallion is a disc inscribed with the 4-H logo on a green neck ribbon. These awards are given at the judge's discretion for outstanding work in an area that does not award rosettes. Leaders may also request medallions for special Fair related designations such as Outstanding Club Mentor or Best Record Book.

Club Exhibit Score Sheet

The goal of the exhibit is to share to the public what your club does. You want the display to be fun and exciting and draw in fairgoers so they want to read and learn more! The display, and the entire tent should have some focus or reference back to the Fair Theme. The 2024 Fair Theme is **4-H Fairytale**.

Dale E. Artfitch Sportsmanship Award

Dale Artfitch was a 4-H member in the Go Karts for many years. In addition, he was a member of the Finderne Rescue Squad and was instrumental in helping to form the EMS Angels of Central New Jersey. While he enjoyed racing his go-kart and riding his motorcycle, his passion was helping others. On July 3, 2009, Dale entered eternal rest. Dale will always be remembered as a true friend to many – willing to help anyone, at any time.

4-H was an important part of Dale's life, and his friends and family are still involved. They have honored his memory by recognizing a 4-H member, 8th grade and older, who shares the positive qualities and characteristics that Dale demonstrated.

During the Fair, 4-H members may nominate a fellow member who consistently embodies the following characteristics:

- Set a good example
- Play by the rules
- Have an open mind
- Willing to listen to leaders and members
- Show respect inside and outside of 4-H
- Be a gracious winner and a dignified loser
- Show perseverance
- Show gratitude
- Show a positive image of 4-H
- Takes responsibility for their own actions
- Show that performance in 4-H is about being a champion member, not about having the champion project

**Please note that ONLY 4-H members may nominate other members.
Nominations accepted in the Info Tent during the Fair.**
